PROGRESS MEETING 4 (PM4)

Due to the Covid-19 outbreak, TeamUp5G coordinated online meetings for their third and fourth Progress Meetings (PM3 and PM4). The project coordinators evaluated and overviewed the project status in terms of the current deliverables' progress and ESR's secondments. The main activities to be carried out during the rest of the second year were also discussed and planned. The Work Packages (WP) leaders addressed the WP objectives and the foreseen deliverables status.
